SUBJECT: **Fiscal Year 2027 Measure J 21b, Safe Transportation for Children –
John Swett Unified School District**

REQUESTED ACTION

Approve the Fiscal Year 2027 Measure J Program 21b allocation in the amount of \$43,500 to the John Swett Unified School District for student transportation services.

BACKGROUND AND DISCUSSION

Measure J Program 21b, *Safe Transportation for Children: Low Income Student Bus Pass Program*, dedicates 0.725% of total annual Measure J sales tax revenues to subsidize bus transit for students in West Contra Costa.

The WCCTC Board maintains a policy allocating 95% of these funds to the West Contra Costa Unified School District (WCCUSD) to operate the Student Bus Pass Program. This involves providing AC Transit and WestCAT bus passes to income-qualified students throughout the academic year.

The remaining 5% of funds is disbursed to John Swett Unified School District, which they use to subsidize their yellow school bus program. A portion of Program 21b funds also supports WCCTC's administration of the program.

The attached two-year budget was approved at the September 17, 2025, CCTA Board meeting and at the September 25, 2025, WCCTC Board meeting. We are returning now to request the FY27 (year two of the two-year budget) allocation of \$43,500 for JSUSD's program. Also attached is a report from the prior school year on the Yellow School Bus program.

Authority Board **STAFF REPORT**

Meeting Date: September 17, 2025

Subject	Approval of Fiscal Year (FY) 2025-26 Measure J Allocation: Sub-Regional West County Safe Transportation for Children: Low-Income Student Bus Pass Program (SBPP) (Program 21b) for School Years (SY) 2025-26 through 2026-27
Summary of Issues	The Measure J Expenditure Plan establishes Program 21b funding at .725 percent of sales tax revenues. The intent of the program is to remove the cost of transportation to school as a barrier to attending school for low-income students in West Contra Costa County. This resolution would allocate \$1,164,952 to the Low-Income SBPP and will effectively fund the program for SYs 2025-26 through 2026-27, and \$4,350 for Authority staff administration of Program 21b.
Recommendations	Staff seeks approval of Resolution 25-29-G to allocate Measure J Program 21b funds for FY 2025-26 in the amount of \$1,164,952 to the Low-Income SBPP for SYs 2025-26 through 2026-27 and \$4,350 for Authority staff administration of Program 21b.
Staff Contact	Danielle Elkins
Financial Implications	The FY 2025-26 allocation to this two-year program would total \$1,164,952 plus an additional \$4,350 for staff to administer the program
Options	1. The Authority Board may approve the allocation. 2. The Authority Board could choose not to approve the allocation at this time.

Background

Consistent with the Measure J Expenditure Plan, the proposed allocation is calculated at .725 percent of sales tax revenues to Program 21b. As a sub-regional program, the allocation for FY 2025-26 will be contingent on the West Contra Costa Transportation Advisory Committee (WCCTAC) acting to program the funds at its September 26, 2025 Board meeting.

WCCTAC has established a program working with the two school districts in West Contra Costa County to provide discounted transportation to school via subsidized transit passes. Funds are apportioned based on the percentage of low-income students in each district: 95 percent to West Contra Costa Unified School District (WCCUSD) and five (5) percent to John Swett Unified School District (JSUSD).

WCCUSD uses the funding to subsidize Alameda-Contra Costa Transit District and the WCCTAC monthly passes for students. Students receiving subsidies are low-income students who attend middle and high schools within the district. WCCUSD administers the program for WCCTAC, which has approved the use of up to 10 percent of the available funds for that purpose.

JSUSD provides a yellow school bus student-only transportation program. As part of the fare structure for their program, low-income families would receive either a free or reduced fare depending on their income level. The Measure J Program 21b funds would be used to further reduce the fare.

The WCCUSD program was first implemented for SY 2009-10. High school students who participate in the district's free and reduced lunch program are eligible to receive a free monthly bus pass as part of this program. Approximately 2,100 passes were being provided per month in the previous school year on a first-come, first-served basis.

The FY 2025-26 allocation includes revenue from the FY 2025-26 sales tax projection plus previously unallocated funds in the program category. The total allocation under this resolution is expected to be sufficient for the program to continue through SY 2026-27.

The budget summary is listed below:

Agency	SY 2025-26	SY 2026-27
WCCTAC Administration	\$17,000	\$17,000
JSUSD*	\$87,000	\$43,500
WCCUSD*	\$110,914	\$89,538
Bus Passes (30,000 passes per SY)**	\$400,000	\$400,000
Total per SY	\$614,914	\$550,038
Two-Year Total		\$1,164,952
<i>*includes SY 2024-25 Administration Allocation</i>		
<i>**allocation on top of the remaining balance of \$1,548,117</i>		

In addition, the Authority would allocate \$4,350 for staff administration of Program 21b. Program payments are made to WCCTAC and the bus pass operators on a reimbursement basis from invoices with required back-up documentation.

Staff seeks approval of Resolution 25-29-G to allocate Measure J Program 21b funds for FY 2025-26 in the amount of \$1,164,952 to the Low-Income SBPP for SYs 2025-26 through 2026-27 and \$4,350 for Authority staff administration of Program 21b.

RESOLUTION 25-29-G

RE: FISCAL YEAR (FY) 2025-26 WEST COUNTY SAFE TRANSPORTATION FOR CHILDREN: LOW-INCOME STUDENT BUS PASS PROGRAM (SBPP) (PROGRAM 21B) ALLOCATION OF MEASURE J FUNDS

WHEREAS, the Measure C Sales Tax Renewal Ordinance (# 88-01 as amended by # 04-02, # 06-01, and # 06-02), (Measure J), and Measure J Transportation Sales Tax Expenditure Plan, designates allocations for specific programs for FY 2025-26 under Program 21b; and

WHEREAS, the funding level of \$870,000 is equal to .725% of budgeted sales tax revenues for the year, consistent with the allocation methodology specified in the Measure J Expenditure Plan; and

WHEREAS, Program 21b has additional unallocated revenues from previous years to allocate in FY 2025-26 and \$1,548,117 from previously allocated and unspent funding; and

WHEREAS, prior to payment of funds, eligible recipients under Program 21b will have entered into cooperative agreements with the Contra Costa Transportation Authority (Authority) for the purpose of using these funds for eligible services.

NOW, THEREFORE, BE IT RESOLVED, that the Authority does hereby approve the allocation of 1) \$1,164,952 in Measure J Program 21b funds for School Years 2025-26 through 2026-27; and 2) \$4,350 for Authority staff administration of Program 21b in the amounts and for the services as specified in Exhibit 1, attached and incorporated herein by reference.

Attn: Coire Reilly

Dear Mr. Reilly

Enclosed please find a Transportation Expense Summary report delineating regular education and special education expenses for the fiscal year (FY) 25-26 with a total for each category. Also included is a Bus Pass Count sheet/report for free and reduced students; Bus Pass Count report by school site; Bus Schedule report for morning and afternoon by school site, as well as a Bell Schedule summary.

In the 2012/13 FY, the state funding known as Home to School Transportation was folded into the Local Control Funding Formula (LCFF) which replaced school district revenue limit funding and categorical fund of many programs and became one big bucket. The funding for transportation was \$213,448.

I hope the documents enclosed and letter cover WCCTAC's requirement for information in order to receive the subsidized funding for transportation.

If you have any questions please don't hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Goike", is written over the typed name.
