

## TDM Program Assistant - Transportation Demand Management

### Supplemental Questions

Please answer the following questions and submit with the application and resume. Please include your name on each page of your response. Be as concise as possible and try to limit each response to ½ page.

1. Provide examples of events, promotional activities or outreach services you have been responsible for during the past five years.
2. Provide examples of how you have employed social media to support or promote a professional activity.
3. Provide examples of program evaluation you have been responsible for that required data collection and analysis (please include any relevant software used).
