STUDY SESSION AGENDA ITEM

- 3. San Pablo Avenue Multimodal Corridor Study Update.** In the fall of 2017, WCCTAC, the CCTA, and the Alameda County Transportation Commission (ACTC) entered a funding and management partnership for this study. The study area extends from Hilltop Mall to Downtown Oakland. The project also includes a large TAC comprised of local jurisdictions and transit operators in the corridor. An Existing Conditions Report has been completed, and so has a first round of public outreach. ACTC staff, who oversee the study day-to-day, provided a progress update at the Board's March 2019 meeting. At that time, the Board requested the opportunity for a study session to review the material in more depth. (Adam Dankberg – ACTC's consultant; Leah Greenblat – WCCTAC Staff; Attachments; Recommended Action: Information only).
- 4. Adjourn.** Next meeting is: May 24, 2019 @ 8:00 a.m.
