## REQUIRED COMMUNICATIONS

To the Board of Directors of  
West Contra Costa Transportation Advisory Committee  
El Cerrito, California

We have audited the basic financial statements of the West Contra Costa Transportation Advisory Committee (WCCTAC) for the year ended June 30, 2019. Professional standards require that we communicate to you the following information related to our audit under generally accepted auditing standards.

### **Significant Audit Findings**

#### ***Accounting Policies***

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by WCCTAC are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year, except as follows:

The following GASB pronouncements became effective, but did not have a material effect on the financial statements:

**GASB 88 – Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements**

**GASB 83 – Certain Asset Retirement Obligations**

#### ***Unusual Transactions, Controversial or Emerging Areas***

We noted no transactions entered into by WCCTAC during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

#### ***Accounting Estimates***

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting WCCTAC's financial statements were:

***Estimated Fair Value of Investments:*** As of June 30, 2019, WCCTAC held approximately \$3.4 million of cash and investments as measured by fair value as disclosed in Note 2 to the financial statements. Fair value is essentially market pricing in effect as of June 30, 2019. These fair values are not required to be adjusted for changes in general market conditions occurring subsequent to June 30, 2019.

*Estimate of Depreciation:* Management's estimate of the depreciation is based on useful lives determined by management. These lives have been determined by management based on the expected useful life of assets as disclosed in Note 3 to the financial statements. We evaluated the key factors and assumptions used to develop the depreciation estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole.

*Estimate of Compensated Absences:* Accrued compensated absences which are comprised of accrued vacation, holiday, and certain other compensating time is estimated using accumulated unpaid leave hours and hourly pay rates in effect at the end of the fiscal year as disclosed in Note 1H to the financial statements. We evaluated the key factors and assumptions used to develop the accrued compensated absences and determined that it is reasonable in relation to the basic financial statements taken as a whole.

*Estimated Net Pension Liabilities and Pension-Related Deferred Outflows and Inflows of Resources:* Management's estimate of the net pension liabilities and deferred outflows/inflows of resources are disclosed in Note 4 to the financial statements and are based on actuarial studies determined by a consultant, which are based on the experience of WCCTAC. We evaluated the key factors and assumptions used to develop the estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole.

*Estimated Net OPEB Assets:* Management's estimate of the net OPEB assets is disclosed in Note 5 to the financial statements and is based on actuarial study determined by a consultant, which is based on the experience of WCCTAC. We evaluated the key factors and assumptions used to develop the estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole.

### ***Disclosures***

The financial statement disclosures are neutral, consistent, and clear.

### ***Difficulties Encountered in Performing the Audit***

We encountered no significant difficulties in dealing with management in performing and completing our audit.

### ***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

Professional standards require us to accumulate all known and likely uncorrected misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We have no such misstatements to report to the Board.

### ***Disagreements with Management***

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### ***Management Representations***

We have requested certain representations from management that are included in a management representation letter dated March 23, 2020.

### ***Management Consultations with Other Independent Accountants***

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to WCCTAC's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### ***Other Audit Findings or Issues***

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as WCCTAC's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

### **Other Information Accompanying the Financial Statements**

We applied certain limited procedures to the required supplementary information that accompanies and supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the required supplementary information and do not express an opinion or provide any assurance on the required supplementary information.
